Abdul Azis Al Ayubbi

Informatics Student at Telkom University

Jakarta, Indonesia

Summary

I'm currently a student at Telkom University, Bandung. In addition to being an active student, I have passions and talents in programming, my primary areas of interest are mobile programming and backend technology. I am eager to broaden my education beyond academia by collaborating with others in a competitive and fast-paced industry environment. I am extremely adaptable and capable of working on my own.

Experience

Mobile Innovation Laboratory

1 year 1 month

Member Mobile Programming
January 2022 - Present (11 months)
Bandung, Jawa Barat, Indonesia
